瓷房子博物馆位于天津市和平区赤峰道72号，它的前身是历经百年历史的法式小洋楼，先后居住过外交家黄荣良先生、外国驻华大使等名人。2000年，为保护历史文物，发扬中国古瓷文化，爱国侨商张连志先生买下了这座残垣断壁的古建筑，进行数年的改造。在这期间，瓷房子共用去数亿古瓷片、数万件古瓷器、数百尊历代石造像和瓷猫枕，天然水晶玛瑙更是不计其数。张连志先生用天马行空的想象力和独特的表达方式，实现了中华文化与西洋建筑的完美结合，赋予了百年老洋楼全新的生命。

Pocelain house(china house)is located in No.72 chifeng road, heping district, Tianjin. This French style building was a former residence of modern diplomatic Mr. Huang rongliang where he lived in Tianjin,and residence of foreign ambassadors in China. In year 2000, in order to protect historical relics and promote ancient Chinese porcelain culture, Mr. Zhang Lianzhi, a patriotic overseas Chinese businessman, bought this ruined building and renovated it for a several years. During renovation period, porcelain houses used hundreds of millions pieces of ancient porcelain, tens of thousands of ancient porcelain wares, hundreds of stone statues and porcelain cat pillows, huge number of natural crystal agates. Mr Zhang Lianzhi archived a perfect combination of Chinese culture and western architecture with his fantastical imagination and unique way of expression, and gives the century-old building a brand new life.
